### REPORT ON WORLD AIDS DAY

**Name of the event:** World AIDS Day

**Date:** 5<sup>th</sup> December 2025

**Time:** 3 pm – 5 pm.

**Venue:** Smt. Vimladevi Khyalilalji Vagarecha College of Nursing Education, Thane.

Smt. Vimladevi Khyalilalji Vagarecha College of Nursing Education, Thane, organized an awareness program on World AIDS Day on 5th December 2025, with the participation of around 100 students. The program was conducted with the aim of cultivating emerging trends and enhancing knowledge regarding AIDS, while also focusing on improving participants' skills and encouraging self-development. The event created a platform for students to better understand the importance of awareness, prevention, and the role of healthcare professionals in addressing HIV/AIDS in society.

The key activity of the program was a poster-making competition based on the theme "Overcoming disruption, transforming the AIDS response," held at 3:00 pm, where students from 1st year and 2nd year GNM actively participated. Through their creative presentations, students highlighted issues such as prevention, stigma reduction, early diagnosis, and the importance of continuous care and support for individuals living with HIV/AIDS. The posters were evaluated between 4:30 pm and 5:00 pm by the faculty, appreciating both creativity and subject understanding. The program concluded at 5:00 pm with a vote of thanks, marking the end of an informative and engaging session that successfully raised awareness and reinforced the importance of collective efforts in combating AIDS.
