Report on World Cancer Day

Name of the event: World Cancer Day

Date: 4/02/ 2026

Time: 3 pm – 5 pm.

Venue: Smt. Vimladevi Khyalilalji Vagarecha College of Nursing Education, Thane

On the occasion of World Cancer Day, a series of educational and awareness activities were successfully conducted for the nursing students and faculty. Under the guidance of Ms. Meera Minnu and Ms. Divya, the IV Semester B.Sc. Nursing students actively participated in organizing a creative role play and seminar focusing on cancer awareness, prevention, and management. The role play effectively highlighted real-life scenarios, emphasizing early detection and lifestyle modifications, while the seminar provided in-depth knowledge about various aspects of cancer care.

In addition, an awareness session on cancer prevention and early detection was conducted by Ms. Jyoti Patel, In-charge, Department of Preventive Oncology, along with her team members Ms. Neetu, Ms. Monica, and Ms. Kamal from Tata Memorial Hospital, Mumbai. The session was attended by 1st-year GNM students, IV and V semester students, as well as faculty members. The session was highly informative and interactive, enhancing participants' understanding of cancer prevention strategies, early diagnosis, and available treatment options. The speakers also introduced the “Dear You” mobile application, available on the Play Store in multiple languages, which serves as a useful tool for health awareness and guidance. Overall, the program was a great success and contributed significantly to spreading awareness and encouraging proactive health practices among students and faculty.
