

### **REPORT ON WORLD TUBERCULOSIS DAY - 2026**

**Name of the event:** World Tuberculosis Day

**Date:** 24<sup>th</sup> March 2026

**Time:** 10 am – 11 am.

**Venue:** Primary Health Center, C. R. Wadia, Thane.

Smt. Vimladevi Khyalilalji Vagarecha College of Nursing Education, Thane, organized an awareness program on the occasion of World Tuberculosis Day on 24th March 2026 at the Primary Health Center, C. R. Wadia, Thane. The program aimed to create awareness about tuberculosis and promote knowledge regarding its prevention, treatment, and control among the community, while also improving participants' understanding of the disease. The session began at 10:00 am with an introduction emphasizing the importance of World Tuberculosis Day and the global need to eliminate TB. Students actively participated by presenting a role play that effectively demonstrated the causes, symptoms, transmission, prevention, and treatment of tuberculosis, with special focus on early diagnosis and timely treatment.

To enhance learning and engagement, educational posters and charts were displayed, making the information more accessible and easier to understand. Participants were encouraged to interact and ask questions, which helped clarify misconceptions and strengthened communication between students and the community. A total of 50 participants attended and benefited from the session. The program concluded at 11:00 am with a vote of thanks and was highly informative, successfully spreading awareness about tuberculosis. It also motivated participants to adopt preventive measures and share accurate knowledge within their communities.
